ACKNOWLEDGEMENTS

All praise to ALMIGHTY ALLAH, the most compassionate, the most merciful, and the sustainer of the worlds who blessed me to complete my studies and humblest and deepest gratitude to the greatest educator of mankind, the Holy Prophet MUHAMMAD (S.A.W) (Peace be Upon Him).

In the first place I would like to record my deep gratitude to my Supervisor Prof. Ashok K. Pandit, former HOD P.G Department of Environmental Science/Director Centre of Research for Development, University of Kashmir for his constant keen guidance and timely advice from the very early stage of this research as well as giving me extraordinary experiences and support throughout the work. Above all and the most needed, he provided me unflinching encouragement and support in various ways. His truly scientific intuition has made him as a constant oasis of ideas and passions in science, which exceptionally have been inspiring and enriching my growth as a student and researcher.

I am also deeply grateful to my Co-supervisor, Prof. Bashir Ahmad Ganai, HOD P.G Department of Environmental Science/ Director Centre of Research for Development, University of Kashmir for his encouragement, constructive comments, constant guidance and support throughout this work.

I gratefully acknowledge Prof. Azra N. Kamili, former HOD P.G Department of Environmental Science/Director Centre of Research for Development, University of Kashmir for her moral support during my research tenure and also for providing laboratory facilities.

I would like to express my sincere gratitude to Prof. A.R Yousuf (Expert member National Green Tribunal, New Delhi) and Prof. G.A Bhat P.G Department of Environmental Science/Centre of Research for Development, University of Kashmir for timely help, valuable suggestions and constant encouragement during the course of this work.

I am deeply indebted to Dr. SamiUllah Bhat, Assistant Professor P.G Department of Environmental Science, University of Kashmir, Dr. Arshid Jahangir, Assistant Professor P.G Department of Environmental Science,
University of Kashmir, Dr. Mudasir Ali, Dr. Qazi Ashiq Hussain, Dr. Aftab Ahmad Bhat and Dr. Aasimah Tanveer for timely help, valuable suggestions and constant encouragement. I feel so privileged to know such wonderful teachers.

My heartiest thanks are due to Dr. Ruqaya Nazir, Dr. MD. Niamat Ali, Mrs. Bilquess Qadri, Mrs. Shazia Bashir, Ms. Sumaira Tyub and Mr. Akhtar Hussain Malik for their help in one way or other during this study.

I lack the appropriate words to express my obligation to Mrs. Anita Pandit (Aunty) for her constant encouragement that went a great way to keep me engrossed in the research work.

I would like to put on record my thanks to Dr. A.M. Kak, Islamia College of Science and Commerce, Srinagar for helping me in the identification of macrophytes and also for encouragement and valuable suggestions.

I also express my profound gratitude to technical and non-teaching staff members of CORD/Environmental Science, especially, Dr. Bilal Ahmad Wani, Mr. Farooq Ahmad (Maulvi Sahab), Ms. Ruby Dar, Ms. Irfana Nabi Kangroo, Mr. Hashim Jalil Chisti, Mr. Javaid Ahmad Javaid, Mr. Ghulam Nabi Pindoo, Mr. Shabir Ahmad, Mr. Fida Hussain, Mr. Manzoor Ahmad, Mr. Khursheed Ahmad, Mr. Yasir, Mr. Ishfaq Ahmad, Mr. Sumeer Ahmad, Mr. Iqbal, Mrs. Ulfat Shah, Mrs. Rifat, Mrs. Tasleema, Ms. Bilqees and Ms. Asifi for their cooperation, wholehearted support and timely help.

The field work would have been impossible without the untiring help extended by the research colleagues of Aquatic Ecology Laboratory, CORD Mr. Javaid Ahmad Shah, Mrs. Aaliya Ismat Baba, Mr. Salim Aijaz Bhat, Mr. Sayar Yaseen, and Mr. Javaid Ahmad Dar. They had to face lot of hardships during the collection of my samples. I am highly indebted to them for their priceless help.
I am so proud to be a member of the Aquatic Ecology research group. I offer my thanks to all the present members for providing me such a pleasant company while working together. I would like to put on record my thanks to the scholars of CORD and Environmental Science namely Mr. Gulzar Ahmad Sheikh, Mr. Basharat Mushtaq, Mr. Sabzar Ahmad and Mr. Mansoor Ahmad.

The successful completion of the research programme was possible only because of the active cooperation of my friends and colleagues. I am particularly indebted to Mr. Aadil Hamid, Mr. Arshid Hussain Shah, Mr. Javid Ahmad Najar, Mr. Showkat Ahmad Lone, Mr. Shabir Ahmad Khanday, Mr. Mohammad Irshad Rather, Dr. Umar Rashid Zargar, Mr. Sikander Ahmad Bhat, Mr. Aijaz Ahmad (Geologist, GSI), Mr. Touseef, Mr. Gh. Jeelani Sofi, and Mr. Touseef Ahmad Bhat. I am also thankful to Aadil Yaseen (Chotu) and Aaqib for their loving support and encouragement.

The kind cooperation of many female research scholars namely Dr. Dilafroza Jan, Mrs. Nuzhat Shafi, Ms. Rafia Rashid, Ms. Afeefa Qayoom, Ms. Saima Jan, Ms. Tabasum Yaseen, Ms. Sana Shafi, Ms. Syed Sana Mehraj, Mrs. Sakeena Jabeen, Ms. Nuzhat Shahi, Mrs. Khalida Hassan, Mrs. Irfana Jameel, Mrs. Musharraf Rehman, Ms. Habiba, Ms. Maryam, Ms. Abroo Ali and Ms. Masrat Jan is deeply acknowledged. The group offered a refreshing, helpful and memorable atmosphere.

I am also grateful to the students of M.Sc. Environmental Science, University of Kashmir, Batch (2008-2010) for their moral support, valuable suggestions, continuous encouragement and friendly behaviour. I feel so privileged to have such wonderful colleagues.

Thanks are due to the scholars of the Department of Geography and Regional Development and Department of Earth Sciences University of Kashmir namely Dr. Zahoor-ul-Hassan and Mr. Gowhar Mehraj for their timely help and sincere encouragement.
I am also grateful to the staff members of Chief Agriculture Officer, Pulwama for their cooperation, timely help and constant encouragement.

Above all, it gives me immense pleasure to acknowledge the immeasurable debt I owe to my affectionate and dear parents (Bashir Ahmad Dar and Hameda Banu) for providing timely encouragement, enthusiasm and financial support. Without their encouragement and understanding it would have not been possible for me to complete this work.

My special gratitude is due to my grandparents Mr. Gh. Mohd and Mr. Mohd Ramzan for their loving support and blessings. I also extend the sincere thanks to my brothers (Khurshid Ahmad, Hilal Ahmad, Aadil Bashir and Shahid Bashir), sisters (Nusrat Bashir and Ulfat Jan) for their loving support and best wishes.

I take this opportunity to record my deep sense of appreciation for my uncle, Mr. Bashir Ahmad Malik and Aunty, Mrs. Jana Akhter who were always a source of inspiration during the course of study.

It would not be fair, if I fail to acknowledge my late grandparents who have been constant source of love and affection for me during my childhood days. May ALMIGHTY ALLAH bring peace to their eternal soul.

NASEER AHMAD DAR
