The present work is the outcome of years of research under the supervision of my revered guide, Dr. Sujata Purkayastha, M.A. Ph.D, Professor and Head of the Department in the Department of Sanskrit, Gauhati University. Without her scholarly guidance and leading counsel it would have hardly been possible to give the present shape to this work. I am extremely grateful to her.

I shall be failing in my duty if I do not acknowledge with deep gratitude the encouragement, inspiration and co-operation rendered to me by the respected teachers of Sanskrit Department of Gauhati University.
