ACKNOWLEDGEMENT

I am ever grateful and indebted to Professor R.C. Bhattacharjee, Ph.D., Head of the Department of Mathematics, R.C.C. Silchar for introducing me in this field and for his kind help, constant supervision and guidance in the preparation of this thesis.

I wish to acknowledge my indebtedness and express sense of gratitude to Professor U.N. Das, Ph.D., Department of Mathematics, Gauhati University, Guwahati for his kind help, supervision and encouragement in preparation of this thesis.

I also wish to express my appreciation and gratitude to Sri Ratnajit Bhattacharjee, Reader, Gauhati University and Dr. Manjulika Bhattacharjee, Principal, R.S. Girls' College, Karimganj for their valuable support during the progress of my research work.

I appreciate the help received from Sri Jaydeep Shome, District Informatics Officer and System Analyst, Karimganj and the authority of Computer Department, Gauhati University for their kind help to use their departmental computers to prosecute numerical calculations.

I also wish to thank the authorities of Silchar R.E.C. Library, G.U. Library and Central Library I.I.T. Khargpur for providing me all the available facilities in prosecuting this research work.

(cond.)
I take this opportunity to express my gratitude to the University Grant Commission and R.S. Girls' College authority for awarding me one year Teacher Fellowship.

I thank Sri C.K. Sharma for typing the thesis in a short period, and my younger brother Sri A.K. Das and my beloved student Dipankar Das for their patient assistance during the type work.

Last, but not the least, I must express my indebtedness to my wife Saswati Das, son Anirban Das and daughter Milanjana Das for their forbearance during my research work.
