ACKNOWLEDGEMENT

With profound gratitude I stoop before God Almighty, for the abundant blessings showered upon me to complete this endeavour.

I would like to place on record my heartfelt gratitude to my distinguished guide Dr. Sunny Kuriakose, Reader, Research Department of Mathematics, Union Christian College, Aluva, under whose supervision, encouragement and untiring support this work was carried out. Without his generous support and relentless encouragement this work would never have come to light.

I express my deep sense of gratitude, towards Rev. Dr. A. Antonysamy S.J., Principal and Reader in Mathematics, St. Xavier’s College (Autonomous), Palayamkottai, for his blessings and wholesome support at every stage of this work. I am deeply indebted to him for his scholarly guidance and advice throughout the period of my study.

I immensely thank and I am extremely grateful to Adv. Rev. Fr. Bernard Chaneparambil, Vicar, St. Francis Xavier Church, Aluva, who blessed me with his spiritual and moral support especially during the last stage of my research work.

I place on record my thanks to Dr. Varghese John, the Principal, Dr. Raju K. John, the former Principal, and Prof. Anu Oommen, Head of the
Research Department of Mathematics, Union Christian College, Aluva for providing me all the facilities to carry out the present study. My thanks are due to all members of the teaching and non-teaching staff of the Union Christian college for their prompt assistance in all my necessities.

Thanks are due to the librarians of St. Xavier’s College, Aluva, Union Christian College, Aluva, University of Kerala, Trivandrum, CUSAT, Institute of Math Science, Chennai, Indian Institute of Science, Bangalore, Bharathi Dasan University, Trichy, and Bangalore University, for the help and facilities provided by them.

I recall with gratitude the encouragements and prayerful support of my Principal Rev. Sr. Charles, former principal Rev. Sr. Speciosa, Head of the Department of Mathematics Rev. Sr. Michleana, my colleagues and my beloved students of St. Xavier’s College for Women Aluva, which was the source of strength throughout my research.

I remember with gratitude my Superior Rev. Sr. Ruth, Rev. Mother General, Rev. Sr. Provincial and all the members of my community. Their blessings, prayers and advice inspired and helped me much during this period of my study.

I express my sincere thanks to my spiritual fathers, Rev. Fr. Francis Kannikkal S.J. former director of Vidyanikethan Institutions, Ernakulam and Rev. Fr. Selvister Ponnumuthan, Vice Rector of Pontifical Seminary,
Carmelgiri, for their blessings, continuous encouragements and sincere concern for all my success.

I bow my head before my beloved parents Sri. C. Swaminathan and Smt. A. Azarinal, for their sacrificial love and affection which gave me unstinted encouragement and who are the channels of heavenly blessings throughout my life. I express my deep sense of gratitude towards all my dear and near ones.

I acknowledge the favours received from God through the supplications of Rev. Mother Eliswa, the foundress of my religious Congregation, and St. Francis Xavier, the heavenly patron.

Once again I put myself at the feet of God Almighty, with profound gratitude, who has bestowed on me the opportunity and blessed me with courage, health and confidence to undertake this small endeavour successfully. I owe my whole life to HIM.

BENEDICT MARY A.
