I wish to express my earnest gratitude to my research guide respected Dr P.K.Bora sir, former Head, Civil Engineering Department, Assam Engineering College for giving an opportunity to work under him, exposing myself to a myriad of experiences.

I offer my heartfelt gratitude to my research guide respected Dr Bibha Das Saikia, Madam, Principal, Assam Engineering college for her inspiring guidance and encouragement in all the matters. I am highly indebted to both the guide for the patient hearing of the arguments and for their explanations over the concept of geotechnical and transportation engineering.

I wish to profusely thank Mr Gautam K Pothal, research scholar, Deptt of Civil Engineering, IIT Delhi for his kind help in conducting some tests of coir mat at IIT Delhi.

I am highly grateful and thankful to Ms Shailin Dora Synrem, Ms Krishna Gogoi, Mr Jyotirmay Barua ME student of Assam Engineering college for their help in conducting laboratory and model tests.

My sincere gratitude is for all the staff of Soil Mechanics Laboratory, Department of Civil Engineering, Assam Engineering College for their needful assistance. Shri T.A. Dewan, Shri Paban Kr. Bhattacharaya, Shri Narayan Kumar, Mrs Namita Sarma will be always remembered for their brotherly help during my work.
I sincerely convey my heartfelt thanks to all my friends and well-wishers for the valuable help, advice and encouragement throughout the course of the work that made this research work a successful one.

I am thankful to Department of higher education (CTM) for kindly allowing me to do this research work amidst my regular duties.

I offer deep gratitude to my parent Sjt Aswini Baruah and Smt Sarojani Baruah for their blessings and encouragement all throughout my life. Most of all I am indebted to my wife Smt Rijumani Sarma for her constant encouragement and sacrifice in connection with this work.

Utpal Kumar Baruah
