Foremost, I would like to express my sincerest gratitude and thanks to my supervisor Professor (Dr.) Goutam Paul, Professor, Department of Physiology, University of Kalyani and Dean of Science, University of Kalyani for the continuous support of my Ph.D study and research, for his patience, motivation, enthusiasm, and immense knowledge. His guidance helped me in all the time of research and writing of this thesis. I could not have imagined having a better advisor and mentor for my Ph.D study.

I am thankful to Dr. Subhashis Sahu, Head, Dept. of Physiology, K.U. for his cooperation and support.

My sincere thanks also goes to my laboratory colleagues Smt. Panchali Tarafder, Sri Partha Pratim Nath, Smt. Mukti Mondal, Dr. Mouri Ghosh, Sri Ami Ghati, Sri Diptendu Sarkar, Sri Kamalesh Das, Sri Suban Baskey for their cooperation during the thesis work. Thanks are also given to Dr. Arpan Kumar Maiti my seniormost colleague for his valuable suggestions and guidance during my thesis work.

I am also thankful to the non-teaching staff of the Department of Physiology, Kalyani University-Sri Kanu Gopal Biswas, Sri Avijit Chakraborty, Sri Tapesh Day, Smt. Papy Dey and also to sweeper Sri Suraj Basphor for their cooperation in official activities as well as laboratory facilities.

I would also thanks to all officials and staff of administrative section, especially PhD section for their timely input.

Thanks must be given to University Grants Commission for financial support during this research work.

No words are adequate to thank the members of my family, my parents-Sri Ratan Sarkar, Smt. Bani Sarkar, my sister and brother-Smt. Rami Sarkar, Sri Keshab Sarkar for their constant mental support and inspiration during the tenure of my thesis work and also throughout my life.

I also wish to express my thanks to my well wisher Smt. Mahua Guha Roy and the numerous other persons who have helped in some way during the tenure of the research work whose names have been omitted inadvertently.

Finally, I am grateful to almighty God.

Date:                (Kaushik Sarkar)
