ACKNOWLEDGEMENTS

It gives me pleasure to express my deep sense of gratitude to my Research Supervisor Dr. Chinta Sudhakar, Professor, Head and Chairman, Department of Botany, Sri Krishnadevaraya University, Anantapur, India for his professional supervision, obliging suggestions and affable endorsement, the most admirable and amiable supervision. His encouragement was instrumental in successful completion of this work. I acknowledge his dynamic celebrity and genial thinking were always a source of incentive in all the phases of experimentation and decisive analysis.

I extend my thanks and gratitude to Prof. T. Pullaiah, Principal, S. K. University and I am obliged to, Prof. R. R. Venkata Raju, Professor, Dr. B. Ravi Prasad Rao, Associate Professor and Dr. S. Thimma Naik, Associate Professor, Department of Botany, S. K. University for rendering the needed amenities in the department and for their suggestions.

I convey my sincere thanks P. Chandraobul Reddy, Assistant Professor, Yogi Vemana University, Kadapa for un-sustained encouragement in completion of this work. I also extend my thanks to Dr. G. V. Nagamallaiah, Academic consultant, Yogi Vemana University, Kadapa and Dr. M. Thippeswamy, Post Doctoral Fellow, The Institute of Plant Sciences, Israel for their extensive co-operation during my work.

I am thankful to my senior scholars Dr. G. Ranganayakulu, Faculty, Rayalaseema University, Kurnool and K. Madhusudan, Junior Lecturer, Kurnool, Mrs. N. Veera Kumari, Junior Lecturer, Mrs. Vidya Godavari, Degree college Lecture, Kurnool, for their discussions and suggestions with a grate intimacy when working problems arise.

I convey my sincere thanks to my uncle K. Adinarayana Reddy, Puttaparthi, for his affable guidance and un-sustained encouragement in completion of this work.

I am also grateful to the Scientists of Andhra Pradesh Agriculture Experimental station, Anantapur, for providing the horsegram seeds.
I am pleased to convey gratitude to my fellow research scholars A. Annapurna Devi, M. Shiva kumar, M. Manju Latha and my junior lab mate M. Pandu.

I extend my thanks to Research Scholars and Research Associates of the Department, P.V. Krishna Reddy, Mrs. Sesheela, Mrs. Sowgandhika, A. Ugraiah, B. Sada Sivaiha, Khadar Basha, Suresh, Sreenivas,Prsad Reddy, Priyadarsini, Tirupathy Reddy, P. Venkata Krishnaiah, Y. Padma, Jayamma, K. Geetha, Dr. Sandhya Rani, and Dr. Nagesh.

I feel fortunate enough to have been blessed with Anjan Reddy, Raja Shekar, Naveen, and Praveen, M. Narayana Reddy, C. Narayana Reddy, Thippa Reddy, as friends, who have been sharing the times of pleasure and pains in my life.

I am thankful to non-teaching staff Department of Botany, Madhukar, Kumar, Kullayappa, Chendrayudu, Madhu and Ramu for their co-operation.

At last, when I think of my parents, Smt. K.Narayanamma, and Sri. K.Bayapa Reddy, my beloved brothers, Bayapa Reddy, Jayaram Reddy, Chandra Mohana Reddy, my sisters Smt. Adilakshmi, Smt. Saroja, Smt. Chandrakala, sister in-laws Smt. Bharathi, Smt. Shuba, Smt. Sujatha and Narapa Reddy, Kiran, Kalyani, Charan, my joy and gratitude find no bounds for what they have sacrificed for me. This piece of work could see the light of day only due to their stoical attitude, inspiration, perseverance, encouragement and keenness in the form of their affection. To thank them in words is belittling their efforts but while acknowledging other names can never stand before them.

K. ESWARA NARAYANA REDDY
