

## LIST OF TABLES

	<u>Page</u>
Table 3.1 Emission probabilities of different particles ...	69
Table 5.1 Fraction of reaction leading to fission	86
Table 5.2 Fission cross-section obtained by different workers ...	91
Table 5.3 Percentage variation of fission events at fixed interval of $N_h$ ...	93
Table 5.4 Variation of fragment ranges (fission) with prong multiplicity ...	94
Table 5.5 Some aspect of fission compared to recoils	104
Table 6.1 Data from Ternary events ...	124
Table 6.2 Data from Quaternary events ...	127
Table 7.1 Comparison of data obtained from SPHF and fission (Binary) ...	137
