ACKNOWLEDGEMENTS

At the very outset, I am praying to Almighty God for the blessings showered upon me for taking up this valuable project and thesis works.

I express my deep sense of gratitude to Dr. P.L. Hazarika, Professor Deptt. of Commerce G.U. and Dr. L. Choudhury, Professor & Head, Deptt. of Statistics, G.U. for their unique guidance, supervision and suggestions in pursuing my research work.

I am grateful to Dr. N. Barua, Professor & Head, Deptt. of Commerce and Dean, Faculty of Commerce, G.U. and other respected teachers of this Deptt. for their kind cooperation.

I offer my sincere gratitude to Late Dr. H. Choudhury, Professor of the Deptt. of Statistics who inspired me a lot to take up this research work. I also offer my thanks and gratitude to Dr. H.K. Baruah, Retd. Professor of the Deptt. of Commerce, G.U. and to Dr. (Mrs.) P. Sarmah, Professor, Deptt. of Statistics, G.U. for their valuable suggestions and advice relating to my research work.

My sincere thanks goes to Dr (Mrs) R.S. Borah, Associate Professor, AAU, Khanapara for her immense encouragement and valuable guidance in every step which are the constant source of inspiration without which this research work could not have come into effect.

I am really indebted to Dr. K. C. Nath, Director of Clinics, College of Veterinary Science, AAU; Prof. D. Kalita, AAU and Mr. P. Bhattacharya, Statistical Officer, Animal Husbandry and Statistics, Govt. of Assam for their constructive and valuable suggestions and help in collection of relevant data during the entire course of my study.
I am highly thankful to my husband Mr. P. C. Das for his constant help, encouragement and valuable advice for successful completion of my research work.

I am thankful to the Principal of Assam Railway Higher Secondary School for giving me permission to carry out my research work.

I am also very thankful to Jayanta, Anjali, Seujee and my colleagues for their continuous mental support and encouragement throughout my study period.

I am very thankful to Dwijasish, my son who has helped me a lot in bringing out my work in the thesis form.

Last but not the least I am thankful to all those who have directly or indirectly helped me, and without whose help and cooperation this research work would have remained incomplete.
