

CONTENTS

CHAPTER I	General Introduction	... 1
CHAPTER II	Review of Literature	... 9
CHAPTER III	Climate, soil and vegetation of the area and biology of <u>O.corniculata</u> and <u>O.latifolia</u> 21
CHAPTER IV	Effect of associated vegetation on growth of <u>O.corniculata</u> and <u>O. latifolia</u> 30
CHAPTER VA	Growth of <u>O.corniculata</u> raised from seeds and stolon cuttings in pure and mixed stands.	... 38
CHAPTER VB	Growth of <u>O.latifolia</u> as affected by bulb size.	... 46
CHAPTER VI	Effect of light on the competitive interaction between <u>O.corniculata</u> and <u>O.latifolia</u> 57
CHAPTER VII	Effect of NPK and moisture regimes on competition between <u>O.corniculata</u> raised from seedlings and cuttings and <u>O.latifolia</u> raised from bulbs.	... 76
CHAPTER VIII	Effect of clipping and 2, 4-D application on the growth of <u>O.corniculata</u> and <u>O.latifolia</u> in pure and mixed stands.	... 96
CHAPTER IX	General Discussion	... 115
	Summary	... 124
	References	... 130
