

## ACKNOWLEDGMENTS

I express my heartfelt gratitude to my teacher Dr. H.N. Pandey, Department of Botany, North-Eastern Hill University, Shillong for his able guidance, keen interest and constant encouragement throughout the course of this study. I am also sincerely grateful to Professor R.S. Tripathi for his valuable suggestions and encouragement.

I am grateful to Professor Y.S. Chauhan, Head, Department of Botany for providing necessary laboratory facilities. I am also grateful to Professor R.R. Mishra for providing necessary facilities during his tenure as Head, Department of Botany.

I wish to offer my warmest thanks to Mr. S.K. Barik and Ms. Jahnaba Misra who at every stage of the study rendered invaluable help.

The completion of this study is largely due to the help and support received from my lab mates: Dr. A.K. Das, Dr. M.L. Khan, Dr.(Ms) B. Wankhar, Dr.(Mrs) A. Laloo, Dr. G. Pradhan, Ms. S. Rynjah, Mr. L. Boral, Ms. T. Lyngdoh, Mr. D. Dutta, Mr. Umashankar, Mr. U.K. Sahoo and Mr. S. Dasgupta.

Thanks are also due to my friends Suman, Banita, Seema, Dhruv, Maitreyee, Subhashini and Nora for their unconditional help in innumerable ways.

To my parents, sister and brother, who perceived that this work was worth doing, and gave me wonderful encouragement and support.

Financial support received from the Council of Scientific and Industrial Research, New Delhi in the form of Junior and Senior Research Fellowships is gratefully acknowledged.

Shillong

The 17th February, 1992.
