ACKNOWLEDGMENTS

I would like to express my gratitude to my Research supervisor, Dr. G. Satyanarayana, Reader, Department of Economics Sri Krishnadevaraya University, Anantapur for his able guidance, without his help, guidance, encouragement and affection, this work would not have been completed.

My thanks are due to all staff and officials who are in Tumkur district head-quarters in the office of D.I.C. Zilla Panchayath, Sericulture Department. And to the officials of the Block Development of Office and Taluk Office, Pavagada, and Taluk Sericulture Extension Office, Pavagada and Y.N. Hosakote and Agriculture office, Pavagada who have provided me the needed data and information for my study.

I wish to thank the authorities of Sri Krishnadevaraya University, Anantapur, the Head and the members of the Teaching staff in the Department of Economics for providing me a chance to complete my M.Phil. Degree course.

I am highly grateful to my beloved father Sri Y.N. Subbarayappa and mother Smt. Sanna Akkamma. My heartfelt
thanks to my wife Smt. Anila Raya beloved son Y.H. Dev Kiran Yadav and to my brothers: Y.S. Ramanjaneya, Y.S. Manjunath and Y.S. Krishnamurthy, for their co-operation and encouragement in the completion of my study.

I am also thankful to Sri Gangappa, Sericulture Extension Officer, Pavagada who have kindly extended their co-operation during the course of my data collection.

Finally, I am also thankful to Sri C. Subbarayappa, Principal, my colleagues and N.T. Staff of the Govt. First Grade College, Pavagada for their encouragement to complete my work.

Y.S. HANUMANTHARAYA
