ACKNOWLEDGEMENTS

It is with pleasure the author expresses his deep sense of gratitude to Prof. S.V. Subrahmanyan, Professor and Head of the Department of Physics, Autonomous Post-Graduate Centre, Anantapur, for his constant encouragement. The author takes this opportunity to express his sincere and grateful thanks to Dr. N. Manohara Murthy, Lecturer in Physics, Autonomous Post-Graduate Centre, Anantapur, for his inspiring guidance and constant help throughout the progress of the work. Dr. N. Manohara Murthy was always available with his cogent suggestions which led to significant improvements in the text.

The author is very much indebted to Dr. K.V. Sivakumar, Lecturer in Physics, for his helpful suggestions during the course of the research work.

The author takes this opportunity to record his appreciation for his wife Sow. P. Girija for her patience and understanding.

The author's thanks are due to Dr. R. Ramakrishna Reddy, Miss. G.S. Santha Devi (research associates) and all other friends who have helped the author in bringing the thesis to the present form.
Mr. Y. Krishna Murthy receives a special note of thanks for the diligence in typing the thesis.

Finally, the author is obligated to the authorities of the Autonomous Post-Graduate Centre, Anantapur for providing necessary facilities for carrying out the research programme.
