ACKNOWLEDGMENTS

It gives me utmost happiness to express my sincere gratitude to Prof. K.L.A.P. Sarma, M.Sc., Ph.D., Dip. in Computer Science, Department of Statistics, S.K.University, Anantapur, for his inspiring guidance, constant encouragement, constructive criticism and timely suggestions offered by him as my beloved research supervisor during the course of my research. His personal interest and care are responsible for my successful completion of the thesis. I also owe thanks to Mrs. K. Vidy Lakshmi Sarma for her affection shown to me during the preparation of this thesis.

I thank Dr. K. Pushpanjali, Associate Professor and Head, Department of Statistics, S.K.University, for providing me all the help in the successful completion of my research work.

I am very thankful to Prof. Y. Krishna Reddy, Professor & B.O.S. Chairman, Department of Statistics, Dr. P. Mohammed Akthar, Associate Professor, Department of Statistics, S.K.University, for their valuable suggestions.
I profusely thank Sri A.L.N. Sastri, New Delhi, for his stimulating discussions and innovative ideas during the course of my research work.

I am very grateful to Sri K. Prakas Rao, Deputy Statistical Officer, Kurnool and Mrs.K. Sudha Prakas Rao, for their generous support during my research work.

My sincere thanks to Sri M. Sudarsanam, Chief Planning Officer, Anantapur, Sri Adinaryana Reddy, Meteorological Department, Anantapur, Sri Sai Prasad, Asst. Statistical Officer, Dr. K.S.L.N. Sarma, Asst. Statistical Officer, Sri C. B. Prasad Reddy, Asst. Statistical Officer, Bommanahal, Sri D. Munirathnam, Mandal Revenue Officer, Amadagur, Sri K.S. Rama Rao, Mandal Revenue Officer, Garladinne, Sri G. Sankaraiah, Deputy Mandal Revenue Officer, Garladinne, Sri D. Trimurthlu, Senior Assistant and Sri P. Bhaskar Reddy, Mandal Parishad Development Officer, Garladinne for their kind co-operation in furnishing the required information for my Research.
I am highly indebted to my parents, my wife Smt. P. Padmavathi, family members and my brothers-in-law P. Ramana Reddy and A. Raghvendra Reddy for their encouragement and support without which my research would not have been completed successfully.

I thank to Sri P.V. Ramana Reddy, Rtd.S.E., S.K.University and Dr. P. Raveendra Reddy, Associate Professor, Department of Chemistry, S.K.University, for their encouragement and help in preparation of this thesis.

I am also thankful to my cousin Dr. A. Lakshmipathi Reddy, Lecturer in English, Govt.Juniour College, Anantapur, for his kind help in going through the manuscript of my thesis.

I am very thankful to my friends P. Jaya Rami Reddy, M.V. Siva Reddy, M. Madhusudhan Reddy, K. Venkata Reddy(RD), L.S.R. Rajmani, G. Sreenivasulu, Narpala, P. Lakshmi Reddy, Kotanka, P. T. V. Prveen Kumar and K. Nagabhusan Reddy, Lecturer in Hindi, Bangalore, for their generous support during my research work.
I am thankful to Sri S.B. Chenna Kesavulu, Typist, Mandal Revenue Office, Garladinne for his computer assistance in the preparation of this thesis in a short span of time.

I convey my thanks to the Clerk Sri. Thimmappa and non-teaching staff, Department of Statistics, Sri Krishnadevarya University, Anantpur for their cooperation.

Finally, I express my sincere thanks to S.K. University authorities for allowing me to register for Ph.D, as a part-time scholar in the Department of Statistics and providing all available facilities for the completion of my research work.

(B. RAVINDRA REDDY)
