Selection of the Research topic and getting it registered for Ph.D and the in depth study on the topic gave momentum to my sub-due and dormant brain and it was an opportunity to learn more and expand my horizon. During the period of my study directly or indirectly I sought / received help from many a people. I am taking this opportunity to express my heart-felt gratitude, though not adequate, to each and everyone of them individually and severally.

The first and foremost is Dr. P. Kallu Rao. It is my bounden duty to place on record my deep sense of gratitude to Dr.P. Kallu Rao, former Associate Professor and Head, Department of Commerce Manipur University Imphal. Dr. P. Kallu Rao is a perennial flow of knowledge in whom I was able to quench my thirst for knowledge. When I was hopelessly wandering in the desert, my research work, he appeared to me as a ‘Good Samiritan’ and helped me immediately, without whom my research work would have become a distant dream. Inspite of his hectic schedule as Divisional Manager, Stock Holding Corporation of India Ltd, Mumbai, has been a source of ready help and he can rightly be called stock holding corporation of knowledge in general and mine of information in particular in this discipline. When I was on the verge of giving up my research work for numerous inexplicable reasons there came Dr.P. Kallu Rao as Lord Sri Krishna and reached me the Gospel of enlightment. The dream of my mission of life came true. He is a life given to my almost abandoned dissertation work. It is inhuman if I don't express my gratitude to Smt. K. Anuradha Rao, w/o Dr. P. Kallu Rao. She is an embodiment of affection and hospitality. In this money maniac world she is the rarest of rare symbol of generosity. She lavished on me maternal care,
concern and co-operation during my stay in their home, really a home of humanity, hospitality and 
charity. Of course, words are inadequate to express my gratitude to Madam K. Anuradha Rao. All 
the hidden hurdles and hindrances in an unfamiliar place like Mumbai, vanished in the solicitors 
supervision of Dr.P. Kallu Rao and Madam K. Anuradha Rao. Thanks are due to them. I am highly 
grateful to my idol little Chi .P. Chaitanya for his good company in Mumbai.

I am ever grateful to Dr.C.N. Krishna Naik Research Supervisor with an air of fraternal atmosphere, 
he guided me in right direction and made any work easy. Sparing no pains he remained a 
resourceful and helped me to complete the Herculean task successfully. He is a replica of service, 
sincerity, industry and intelligence. It is my greatest fortune to have a research supervisor like Dr. 
C.N. Krishna Naik who is very much affable, amiable, amenable and dedicated to ameliorate 
(Upliftment of) students community in all angles. Dr. C.N.K. Stands for commitment, nobility and 
kindness. My thanks are due to him for his worthy guidance. I express my gratitude to Smt. K. 
Manjula Naik and their daughters Kumari. C. Prathyusha and Kumari. C. Anusha for the hospitality 
extended to me at times of frequent visits to their home.

Nallamma for her affectionate blessings without which it would not have been possible for me to complete the work. I am much beholder to my wife Smt. Y. Vimalamma for having endured the hardship in my absence at home and for the pain taken in many ways during the course of the work. I just can't express my feelings to her. It is she, who encouraged and inspired me to fulfill my dream. And my lovely and affectionate son Chi. B. Sai Mahidhar, who sacrificed his attachment and extended timely co-operation for completion of this work.
