I take this opportunity to express my deep sense of gratitude and indebtedness to my teacher Dr. N. N. Bhattacharyya, Retired Professor of Geography, Gauhati University, under whose able guidance and supervision this research work has been done. This work would not have found its desired shape without the untiring involvement, critical suggestions and efforts generously spared by him at every stage.

I place on record my thankfulness to Dr. A.K. Bhagabati, Professor and Head of the Department of Geography, Gauhati University for his enthusiastic words and thoughtful suggestions from the very beginning of my research work. I am grateful to my teacher Dr. M. Taher, Retired Professor of Geography, Gauhati University for his inspiration towards successful completion of this work.

I am thankful to Professor H. N. Sharma; Professor, M.M. Das, Professor R. Barman, Dr.(Mrs.) L. Datta, Shri S.P. Sharma, Dr. A.K. Bora, Dr. B.K. Kar, Dr. Anup Saikia and others of the department of Geography for offering their kind assistance and valuable and enthused suggestions while doing the work.

I wish to acknowledgement my gratefulness to Dr. K.K. Patgiri, Principal of Bajali College, Pathsala for his co-operation and good will, without which this work would probably never have been completed.

My thanks also due to my teacher and colleagues Shri D.N. Goswami, Head of the Department of Geography, Bajali College, Shri J.K. Patra and my students of their untiring assistance in the field survey conducted for the work.

I would like to thank the officers and staff members of the Census of India, Assam and State Election Department, Govt. of Assam for providing me with all the necessary data from their publications.
I place on record my thankfulness to the concerned officials of the District Library, Kamrup, Nalbari and Barpeta. I also thank the library assistants of Gauhati University and Jansanyog for their help and co-operation while consulting the library materials.

I gratefully remember the help and co-operation I received from Shri Ghanasyam Deka, Lecturer, Suren Das College, Hazo, for carefully typing first draft of my work.

I express my indebtedness to all the authors and scholars whose work have been referred in this work. I also thank the organizations and institutions for allowing me to use their books, journals and reports.

I gratefully remember the help and co-operation I received from the members of non-teaching staff, Department of Geography, Gauhati University, particularly Shri Kalicharan Das, Shri Tanmoy Choudhury, Shri D. Baruah and Shri B. Ali.

I am delighted to express my sincere gratitude to my relatives for their constant co-operation, encouragement and help towards completing my work.

I find no appropriate words to express my warm appreciation to my wife Mrs. Sewali Talukdar and son Nipun for their constant co-operation, help and understanding towards the completion of my work.

Finally, I would like to thank Shri Saurabh Barman, M. Phil. Student, Department of Geography, Gauhati University for carefully doing the cartographic work and Shri Dipankar Das, Jalukbari, Guwahati for the excellent Computer typing of the thesis within a short span of time.
