ACKNOWLEDGEMENT

I am grateful to Dr. S.K. Bhattacharjee M.Sc., Ph.D., Professor of Chemistry, Gauhati University for initiating me into this piece of research work and for his valuable guidance. All throughout the work, he has been a constant source of inspiration and it would not have been possible to complete the work without his guidance. I take this opportunity to acknowledge my deep sense of gratitude and indebtedness to him for his invaluable help.

I am grateful to Prof. H. Das, Head of the Department of Chemistry, Gauhati University for providing me with necessary laboratory facilities.

I am greatly indebted to Dr. K. Goswami M.Sc., Ph.D., Director, Forensic Science Laboratory, Assam, for allowing me to undertake the research work in the laboratory and to utilize the instrumental facilities available in the Forensic Science Laboratory.

I would like to acknowledge, in particular, the help I have received from my long
time friend and colleague Dr. S.K. Dutta M.Sc., Ph.D.,
Assistant Director, Chemistry (Drugs and Narcotics)
Division, Forensic Science Laboratory, Assam, who
spared his valuable time to discuss various topics
relating to the work with helpful suggestions.

Thanks are also due to my colleagues in
Forensic Science Laboratory who have encouraged and
helped me during the tenure of my work.

I owe a great deal to my family for
accepting so patiently my overtime workload during the
entire period of my research work.

Guwahati,
The 10th June, 1994.

Rajkumar Pradip Lochan
Assistant Director,
Toxicology Division,
Forensic Science Laboratory,
Kahilipara, Guwahati-781019
Assam (India).
