ACKNOWLEDGEMENT

First and foremost, my thanks are due to my former guide Late Dr. V.V. Rao who left for his heavenly reward, but for whose learned guidance, this work would not have come out in this form. My thanks are also due to Dr. Niru Hazarika who readily took up the responsibility to be my supervisor after the untimely death of Dr. Rao. I also owe gratitude to a host of persons who are too many to be mentioned by name and who have helped, encouraged and make it possible complete this work.

I express my heartfelt thanks to the Librarians and staff of Gauhati University; Jawaharlal Nehru University, New Delhi; Directorate of Election Commission, New Delhi; Directorate of Election Department, Government of Mizoram and the Mizoram Legislative Assembly Secretariat for giving me an access to the numerous important documents and books which has enabled me to write a fairly standard thesis.

Lastly, I am indebted to my wife Teteii and our three daughters who despite wanting my constant presence among them have freely given time to work.
