ACKNOWLEDGEMENTS

I have no words to express my deep sense of gratitude to my supervisor Dr. Apurba Chandra Barthakuria, M.A., Ph.D., Veda-śāstrī, Sāhitya-śāstrī, Reader in the Department of Sanskrit, Gauhati University, who has tried his best in rendering his able guidance in completing this thesis. I must put on record that without his proper guidance it would have been impossible on my part to complete the present work.

I find no appropriate words to express my heart-felt indebtedness to my revered preceptor Professor Dr. Mukunda Mādhava Sharmā, M.A., Ph.D., D.Litt., Kāvyatīrtha, formerly Head of the Department of Śanskrit, Gauhati University, for his kind and valuable advice, untiring help and constant encouragement which deeply inspired me to complete the work leaving aside my personal difficulties.

I am thankful to my colleagues for their constant encouragement and noble help rendered to me in completing the research project.

I shall be failing in my duty if I do not acknowledge the help I received from the Staff of the National Library, Calcutta, and Gauhati University Library.

Lastly, I am thankful to Shri H.Nath Choudhury for taking much pain in typing the thesis and thus helping me in submitting the same in time.
