ACKNOWLEDGEMENT

First and foremost, my hearty thanks and gratitude to my beloved and the most respected guide Dr. Nazibuddin Ahmed, Selection Grade Lecturer in Mathematics, Cotton College, Guwahati for his kind and sincere help and able supervision and guidance, which finally enable me complete my thesis on the subject as mentioned on the front page.

As a mark of acknowledgement, I gratefully remember the names of the following respected persons:

1. Dr. Upendra Nath Das, Professor in Mathematics, Gauhati University.

2. A. F. M. Ahmed, (Retd. Principal, Govt. Boys H.S. School, Dhubri.)

3. D. Medhi, Lecturer, Department of Geography, Goalpara College, Goalpara.

Whose various helpful services and valuable advices, suggestions, encouragements etc., have gone a long way in preparing my thesis.

[Sahin Ahmed]

(SAHIN AHMED)
Lecturer in Mathematics
