ACKNOWLEDGEMENT
ACKNOWLEDGEMENT

The author feels immense pleasure to express his sincere gratitude and indebtedness to Dr. V.A. Parthasarathy, Senior Scientist and Head (Hort.), Biotechnology laboratory, ICAR Research Complex for NEH Region, Barapani, Meghalaya (Presently, Principal Scientist (Biotechnology) and Head, Division of Crop Improvement, CPCRI, Kasaragod, Kerala) for having suggested this problem and for his dynamic guidance at all stages of my work and providing all facilities including statistical analysis.

The author owes a deep sense of gratitude and heartful thanks to Dr. G. Bhowmik, Prof. and Head, Department of Biotechnology, Gauhati University, Gauhati for suggesting the problem and guiding me throughout the investigation and preparation of this thesis.

The author goes on being grateful to Dr. R.N. Prasad, former Director, ICAR Research Complex for NEH Region, Barapani for his sympathetic consideration for granting permission and providing facilities.

The author remains grateful to the Department of Biotechnology, Govt. of India, New Delhi for financial support to carry out the research programme.

The author records his gratefulness to the Regional Sophisticated Instrumentation Centre, NEHU, Shillong for providing facilities for scanning electron microscopic study and ARIS cell, CPCRI, Kasaragod for help in statistical analysis.

The spontaneous help and sound suggestions rendered by Dr. V. Nagaraju, Scientist (Horticulture), ICAR Research Complex, Barapani (Presently at CPCRI, Kasaragod) in executing the investigation and preparation of the manuscript are gratefully acknowledged.

The author effusively in words his deep sense of gratitude and indebtedness to Dr. K. U. K. Nampoothiri, Director, CPCRI, Kasaragod, Mrs. U. Parthasarthy, CPCRI, Kasaragod, Dr. R.P. Medhi, Senior Scientist, (Hort.) Dr. A. Pattanayak,
Scientist (P.B.), Dr. B. K. Sharma, Senior Scientist (P.B.), Dr. Ram Chandra, Scientist (Hort.), Dr. S. G. Gupta, Head, (Hort.), ICAR Research Complex, Barapani, for their help in various ways.

The author acknowledges with gratitude to all the employees and staff members of the Horticulture Division, ICAR Research Complex, Barapani, for rendering their help during the entire period of this study.

The author also express his thanks to MULTIPLEX media CENTRE, Guwahati for the meticulous work of typing the manuscript with care.

Lastly but not least, the author express his deep reverence and devout to sense of his parents, uncle, bothers, sister, wife Bandita and son Angshuman, late G.R. Sarma, and other kith and kin who were the source of divine inspiration beyond the academic scene.
