ACKNOWLEDGEMENT

I am very thankful to Prof. (Mrs.) Sujata Miri, Head, Department of Philosophy, North-Eastern Hill University Shillong for supervising my dissertation. Without her kind and efficient supervision I would not have been able to complete my research enterprise. If there is anything good in my thesis, it is entirely due to her scholarship and keen philosophical acumen.

I will be ever obliged to Prof. Mirimal Miri for his valuable help and words of encouragement. I am also thankful to Dr. S.C. Dinial for helping me whenever needed.

I must thank my fellow research students especially Dr. (Miss) Morning Lyngdoh, Miss. Sobita Das and Mrs. Begum Qurratun Koshna for their kind co-operation.

I owe a special debt of gratitude to my mother Mrs. Nganniliu, my Khasi auntly Mrs. Youcy Diengdoh, my elder brother Simon Newmai, my dear wife Mrs. Silamliu, my only sister Miss. Asenliu and my cousins especially, Huthuanbou Newmai, Awangbou Newmai and Nam-pibou Newmai for their unstinted support, and for standing by me through a long period of stress and strain with endurance and cheerfulness.

I have been helped by more people than I can name here. I am sure that they will forgive me for my inability.

Last but not the least, I must put it on record my sincere thanks to Mr. Joseph F. Khongbuh, P.A., CIEFL, Regional Centre, Shillong for xeroxing my dissertation with utmost care.
