DECLARATION

I have carried out the present thesis entitled "Health Status in Rural Assam - A Statistical Portrait" under the guidance of Dr. Dilip C. Nath, Professor, Department of Statistics, Gauhati University, Guwahati.

The present thesis is based on the data mainly from three sources. These three sources are Sample Registration System, a scheme run by the Office of the Registrar General, India, Survey of Causes of Deaths and Census of the same office.

I further declare that this work is original and has not been submitted in part or in full to any University/Institution for any degree or diploma.
