ACKNOWLEDGEMENT

I express my sincere and profound gratitude to Dr. G. Bhowmik, Professor, Deptt. of Biotechnology, Gauhati University, without whose valuable guidance, proper supervision and encouragement, it would not have been possible to complete this work.

I express my sincere gratitude to Dr. S. Sarma, Professor and Head, Deptt of Biotechnology, Gauhati University, Who was kind enough to provide me with necessary facilities.

I am grateful to Prof. S. Choudhury, Deptt. of Botany Prof. S.B. Nandi, Deptt. of Statistics, Dr. A.K.Handique and Dr. G.U. Ahmed, Reader Deptt. of Biotech. for many stimulating discussions and helpful suggestions.

I am also grateful to my friends Jayanta, Hitesh (Rinkan) and Subhabrata (Shibu) for their words of encouragement and helps through out the course of investigation.

My thanks are due to the members of the staff of Indian Agriculture Research Institute Library, New Delhi and K.K. Handique Library, Gauhati University for their cooperation and help.

I am further grateful to My friends Mr. Paramjit Mutsuddi, CPWD, Silchar and Mr. Sanjoy Kr. Das, Analac Service Pvt. Ltd, Maligoan, Gauhati for their hard and sincere services for the typing and printing of the whole thesis with care.

I am thankful to Miss Kalpana Kalita, Research Scholar, GU. for the help she rendered during the entire course of study.

I am also thankful to Principal & my Colleagues of Dept. of Botany, Karimganj College, Karimgang for their inspiration and help in various ways.

I convey my hearty thanks to all teachers, Research Scholars, Students and members of the staff of Deptt. of Biotechnology, Gauhati University for the timely help.

In conclusion, I must express my deep reverence to my parents, who are no more in this world, for their blessings, love and inspiration without which this work could not possibly be completed.

Pramab Behari Mazumder
Deptt. of Biotechnology,
Gauhati University
