Acknowledgement

First of all, I express my sincere gratitude to my guides Dr. Dipak Kumar Dutta, Scientist, Material Science Division, Regional Research Laboratory (RRL) Jorhat and Dr. Jatindra Nath Ganguli, Reader, Chemistry Department, Gauhati University for their constant effort and concern during the period of my Ph. D work.

I do acknowledge the present Director of RRL Jorhat, Dr. J. S. Sandhu, FNA, for giving me permission to complete the work. Also, I am deeply grateful to Ex-Director of RRL Jorhat, Dr. A. C. Ghosh for allowing me to pursue the major portion of the research.

I am thankful to Dr. P. C. Borthakur, Head, Material Science Division, for his help and inspiration. I also thank Mr. P. Sengupta, Mr. R. L. Goswamee, Mr. P. C. Saikia, Mrs. A. Sengupta, Mr. D. Bordoloi, Mr. A. Baruah, Mr. J. Kalita, Mr. D. Sarmah, Mr. M. Saikia, Mr. B. Gayan, Mr. M. Das and each and everyone from the Fuel Block.

I am grateful to Dr. R. K. Baruah, Analytical Division, for the entire part of XRD analysis and also to the Quality Management Centre for carrying out the different analytical work. I am extremely thankful to the General Stores Section, Drawing Section, Biochemistry, Organic Chemistry, Plant Science and Petroleum Division for all the help I received from them. I express my sincere gratitude to the Library and Liaison Section.
I must thank Dr. N. C. Dey, Dr. P. Kotoky, Mr. B. P. Baruah, Mr. C. S. Bordoloi, Dr. S. Gogoi and Dr. M. K. Roy for their kind help and encouragement.

Personally, my first acknowledgement goes to Dr.(Mrs) Aradhana Goswami for her sympathy and love during my stay at RRL. I shall remember with fondness, my friends, Pankaj, Manab, Manoj, Nashiour, Nandini, Arijit, Ruli, Anima, Bipul, Deepannita, Ganesh, Birinchi, Manali, Devojit, Bidyut, Baby, Naba, Samit, Dhruva, Meenakshi, Debojani, Wahab, Mr. O. Ahmed and Mrs. A. Phukan for different suggestions and goodwill. I am specially thankful to Dr. Jyotish Baruah for his immense help and suggestions in preparing the thesis.

I specially acknowledge my parents and brother Parag for their inspiration. I am grateful to my dear husband, Gautam, for everything he endeared throughout the whole period of research work.

The credit of my thesis goes to my younger sister Popi, who sacrificed a lot on her part. I should also acknowledge profusely my three-year old son, Bikram (Gogi).

Above all, I thank the Almighty God, the faith which kept me going on through all the odds till the end.
