Acknowledgement

I am deeply indebted to my guide Dr. C. M. Sarma, Former Head and Professor, Department of Botany, Gauhati University for showing me the path in every step without which it would not have been possible to complete this study and ardently wish I could pay back my gratitude.

I am also grateful to all my teachers for their valuable advices. Grateful thanks are due to the Head of the Department of Botany, G.U. and the authorities of Gauhati University for providing me laboratory facilities.

My special thanks to the authority of NEC, Shillong for funding me with a research scholarship during the period of study, which have been of great help to me in pursuing my study.

I must also give my thanks to the officials of K, K, Handique Library for providing me the library facilities.

I must thank all my well wisher colleagues and my friends outside the Institution who were always the source of encouragement. Special mention must be made of Dr. R.K. Bora, Senior Lecturer, Pragjyotish College and Ms. Nabami Basumatary, Lecturer, B.N. College for their help and unconditional support.

Last but not least, I must mention that this goal could not have been achieved without my parents, mama Dr. M K Sharma, sweet Banumama Mr. Mridul Kr. Sharma, brother Bhaskar and sister Archana in my back.
