ACKNOWLEDGEMENT

I express my deep sense of gratitude to Dr. CM Sarma, Professor of the Department of Botany, Gauhati University, for suggesting the problem and for his inspiring guidance and invaluable supervision throughout the course of investigation. It would indeed, have been a more difficult job for me to bring out the thesis without his constant encouragement and unfailing helpful suggestion.

My gratitude is also due to the Director, RRL, Jorhat and the Chief Librarian, AAU, Jorhat for giving me the permission to use their libraries.

I am grateful to Professor SK Sarma, Head of the Department of Botany, Gauhati University, for providing me the available facilities during the course of research work.

I would like to thank Mr UC Das, Ex-Principal, Bijni College, for kindly allowing me to undertake the research works and also for permitting me to use the college land for field works.

My grateful thanks are also due to the Principal, the Vice-Principal of Bijni College and Mr SK Talukdar, SDC (Agriculture), Bijni, for their helpful suggestions and encouragement.

I extend my heart-felt thanks to KK Sarma, Mr NC Das, Mr BG Basumary, Mr and Mrs A Chakraborty, Mr and Mrs S Chatterji, Rajib, Jabin, Surajit, Kanjan, Biju m Pradip, Manik and also the well-wishers for their many sided help and encouragement.

Thanks are also due to Mr A Agarwal and Mr T Das of Classic Corner, Guwahati who took pains in typing and binding the thesis within a very short span of time.
