LIST OF TABLES.

Table:

1. Share of rail and road in the short distance freight and passenger traffic. 25
2. Revenue from road transport and expenditure on roads in India. 30
3. State revenue from road transport. 32
4. Inter-state migration by type of movement (1971 census). 42
5. Gross output in industry per capita and value added in industry per capita. 55
6. Per capita consumption of electricity in the region compared to all India. 56
7. Surfacewise road lengths of different States per 100 square kms of area and per lakh of population. 67
8. Some selected economic indicators of the N.E. region vis-a-vis all-India. 72
9. Statewise length railway network in the N.E. region. 81
10. Estimated inflow and outflow of goods traffic in the N.E. region in 1975-76.

1'1. Groupwise traffic estimates carried by road during 1976-77.

1'2. Movement of cashcrops carried by road in the region.

1'3. Statewise movement of fruits and vegetables by road in the N.E. region.

1'4. Estimated breakup of various forest products moved by road in the region.

1'5. Statewise breakup of road movement of forest products in the N.E. region.

1'6. Pattern of movement of tea in 1963-64 from Assam and Tripura to Calcutta.

1'7. Statewise road movement of tea and other cashcrops during 1975-76.

1'8. Movement of cashcrops by road in the N.E. region.

1'9. Estimated percentages of inter-state movements of rice by rail and road in the region during 1963-64.

2'0. Movement of foodgrain by road in N.E. region.

2'1. Statewise originating and terminating traffic in food-grains in the region.
XI

2'2. Movement of coal by road in the N.E. region. 114

2'3. Statewise movement of petroleum products in the N.E. region. 115

2'4. Road traffic in manufactures in the N.E. region in 1975-76. 117

2'5. Pattern of movement of phosphatic fertilizers from factories in 1970-71. 118

2'6. Statewise breakup of road movement in manufactures in the N.E. region. 119

2'7. Statewise road traffic in building materials in the N.E. region. 121

2'8. Road traffic in miscellaneous goods in the N.E. region. 122

2'9. Statewise road traffic in miscellaneous goods in the N.E. region. 123

3'0. Employment in road transport in the N.E. region during 1951. 125

3'1. Yearwise number of tourists visiting the N.E. region. 128

3'2. Animals of Kaziranga as per census. 130

3'3. Transport arrangement for tourism in Assam during 1975-76. 141

3'4. Statewise number of motor vehicles in the region in 1951. 144
3'5. Statewise number of motor vehicles in the region in 1975-76. 145

3'6. Types of motor vehicles in the region for the year 1956. 147

3'7. Types of motor vehicles in the N.E. region in 1975-76. 148

3'8. Statewise distribution of vehicles in the region by type of permits (in percentage). 151

3'9. Proportion of vehicles carrying goods to godown and transhipment (in percentage). 152

4'0. Intensity of vehicular traffic at selected check-post on National Highways in the region. 153

4'1. Total kilometres covered by road transportation in the region during 1951 and 1976. 154

4'2. Particulars of railway sections facing road competition in Assam, 1975-76. 170

4'3. Composition of motor vehicles in the State Transport Corporation of Assam. 171

4'4. Progress of working of the State Transport Corporation of Assam. 173

4'5. Goods traffic carried by Nagaland State Transport, 1975-76. 178

4'6. The progress of Nagaland State Transport Undertaking. 179

4'7. Working of the State Transport Corporation of Manipur. 181
4.8. Number of vehicles plying in Arunachal Pradesh under the co-operative department. 187

4.9. Fleet position of the Meghalaya Transport Corporation. 191

5.0. State plan expenditure in the N.E. region. 193

5.1. Statewise breakup figures of plan outlay on road transport. 195

5.2. Schematic breakup of outlay on road transport in Assam during the 4th Plan. 204

5.3. Targets and achievements of road transport in Nagaland during the 4th Plan. 219

5.4. Fleet strength procured by the State Transport of Nagaland during the 4th Plan. 220

5.5. Programme of nationalisation of N.S.T. during the 5th Five Year Plan. 225

5.6. Progress to be achieved by N.S.T. by the end of 5th Plan. 226

5.7. Targets and schemes of road transport in Arunachal Pradesh during the 5th Plan. 229

5.8. Details of routes proposed to be taken during the 5th Plan. 229

5.9. Financial implications of State Transport of Arunachal Pradesh during the 5th Plan. 234

6.0. Programmewise outlay on road transport in Manipur during the 4th Plan. 237

APPENDIX

Statement:

2.1. Road length in the north eastern region. 349
2.2. Number of motor vehicles on road in the N.E. region. 360
2.3. Motor vehicles on road in Assam (by type). 351
2.4. Motor vehicles on road in Meghalaya (by type). 352
2.5. Motor vehicles on road in Manipur (by type) 353
2.6. Motor vehicles on road in Nagaland (by type). 354
2.7. Motor vehicles on road in Tripura (by type). 355
2.8. Districtwise motor vehicles on the road relative to area and population in Assam, 1971. 356
2.9. Collection of motor vehicles tax in Assam (districtwise) from 1972-73 to 1975-76. 357
3.1. Working of Manipur State Transport. 359
3.2. Maximum laden weight permitted for motor vehicles on different roads in some States in the country (in tonnes per vehicle). 360
3.3. Progress of nationalisation of S.T.C. of Assam. 361
3.4. Villages electrified and irrigated pumpsets energized (31-3-76). 362
3.5. Classification of forest areas in the N.E. region. 363
3.6. Outturn and value of forest products of the N.E. region (1972-73). 364
