I would like to express my heartfelt gratitude to Professor P.C. Bhattacharjee
(Guide), Department of Zoology, Gauhati University, Assam, and Dr. S. Dey (Co­
guide), RSIC, NEHU, Shillong; under whose supervision this work has been carried
out. I am deeply indebted to them not only for suggesting the problem, but also for
their generous guidance, wise counsel, constant encouragement and advices at the
critical moments.

I also express my gratitude to Dr. A. Borkotoky, Head, Department of
Zoology, Gauhati University, Dr. P. K. Saikia, Reader, Department of Zoology,
Gauhati University, Dr. J. Kalita, Reader, Department of Zoology, Gauhati University
and all the faculty members of the Department for their interest throughout the tenure
of the study.

My thanks are due to Dr. P. Kotoky, Principal, Mrs. H. D. Bora, Head,
Department of Zoology, Dr. D. Sarmah, Head, Department of History, Ms. R.
Bhagabati, Head, Department of Geology, Ms. B. Baruah, Head, Department of
Botany, Dr. A. K. Z. Ahmed, former Head, Department of Zoology, and other
colleagues of Sibsagar College, Joysagar, and also to Dr. L. C. Borah, Principal,
S.M.D. College, and Dr. H. K. Phukon, Principal, Sibsagar Girls’ College, for their
encouragement and help during the period my work.

I am highly grateful to Mr. Simanta Goswami, Director, Green Guard Nature
Organization, and Mr. Rajeev Stafford for their help during the days of my field work.
I am also grateful to Dr. Jihosua Biswas, Primate Research Centre, Guwahati for his
kind help during the research work.

Special mention of thanks are due to Ms. Chinmoyee Sonowal, Lecturer,
Department of Zoology, Mr. Utpal Sarmah, Lecturer, Department of Zoology, Ms.
Sangeeta Phukon, Lecturer, Department of Botany and Mr. Utpal Dutta, Lecturer,
Department of Botany, Sibsagar College, Joysagar and Mr. Buddhin Hazarika,
Lecturer, Department of Zoology, Mangaldoi College, Mangoldoi, Assam.
