ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude to my guide Dr. Narendra Lahkar, Prof. & Head, Department of Library and Information Science, Gauhati University for his valuable guidance and encouragement given to me at every stage of the preparation and completion of the thesis. Without his help, this work could not have been completed.

I am grateful to the librarians' and users' of the university libraries of North East for responding my questionnaires prepared for the purpose of collecting data for the study. Without their assistance, I would have been unable to collect the useful data for this work.

Acknowledgement must also be made to a number of my professional colleagues namely: Joteen Singh, Information Scientist, Manipur university; R.K.Ngurtinkhuma, Lecturer, Department of Library and Information Science, Mizoram university; Nijoy Paul, Professional Assistant, Assam university library; Dipak Sarma, Professional Assistance, Tezpur university library and Sanjeev Deka, Technical Assistant, IIT Library Guwahati for their help in filling up the users’ questionnaires.

I am also thankful to my wife Mrs. Rupali Bora Das for her untiring inspiration and encouragement given to me to complete this work.

I would like to express my sincere indebtedness to my mother and family members for extending their continued inspiration to me.
It is not possible to conduct a study with full perfection. Though I have made every effort, I am quite aware of my limitations. I beg pardon for all my errors and omissions that may occur with or without my knowledge.
