Acknowledgements

I would like to place on record my great indebtedness and deep sense of gratitude to Dr. Mathew Joseph, my research supervisor. He patiently went through the manuscript and offered invaluable suggestions. But for his timely help and efficient guidance this dissertation would not have assumed the present form.

The Librarians of British Library, Thiruvananthapuram; Kerala University Library; Institute of English and M. S. M. College Library, Kayamkulam helped me very much by supplying books and reading material. I acknowledge with gratitude the help and encouragement given to me by Dr. D. Radhakrishnan Nair, Director, Research Centre, M. A. College, Kothamangalam and Dr. Krishnakumar, S. D. College, Alappuzha. The help rendered by my colleagues, especially Prof. B. Radhakrishnan, Head of the Department; Prof. C. S. Aravind and Prof. K. Khan deserves special mention.

Last but not least, a word of praise is due to M/s Copy Write, Ettumanoor for the fine execution of the work.
