Acknowledgement

At the very outset thanks to all of those whose direct and indirect contribution helped me to reach the position where I am today.

It is a great privilege to express my deep sense of gratitude to my esteemed guide, Dr J C Sarma, Scientist E1, Natural Products Chemistry Division, RRL Jorhat, Assam for his invaluable guidance, encouragement and help for the entire period of my Ph.D. work. I am also grateful to Dr S K Bhattacharjee, Professor and former Head of the Department of Chemistry & Dean Faculty of Science, Gauhati University, Guwahati, Assam for his guidance and keen interest in this work.

I take this opportunity to record a special thanks to Dr N C Barua, the key person behind our research career, for his inspiration and valuable criticism and constant encouragement throughout my research period.

I also wish to extend my particular debt of gratitude to Dr A C Ghosh, former Director, RRL Jorhat, Assam who inspired, motivated us to start research career and gave the opportunity to carry out my research work at RRL Jorhat.

Thanks to Dr J S Sandhu, FNA, Director, RRL Jorhat, Assam and Dr R K Mathur, former Acting Director, RRL Jorhat, Assam for providing me laboratory facilities to carry out and wind up this work.

I would like to express my gratefulness to Dr A T Khan, Asst. Professor, II Guwahati, Assam, Dr M J Bordoloi, Dr Parijat Sarmah, Dr P K Chowdhury, Dr R C Baruah, Dr D K Dutta, scientists, Organic Chemistry Division, RRL Jorhat, Assam for their help and co-operation at different stages of this work. I am also grateful to Prof U. K Medhi, Prof P J Das, Department of Chemistry, Gauhati University, for their encouragement since my M.Sc. period.

My heartiest thanks to my friend Ghanashyam Bez and Shahadat Ahmed for their companion, encouragement and help throughout my research period. Thanks to Ms. Vaishali Chakraborty for her help and inspiration in the initial part of my research work. Thanks to my friend Ramesh Deka and Diganta Das for their moral support. I am also dignified by the company of Dr A K Saikia, Dr M S Bezbbaruah, Ms Ruli Bora, Dr D Kalita, Apurba Barua, Ms Ira Saxena, Biren Bora etc.
I would like to thankfully record the help extended by my friend Dr H P Deka Baruah, brotherly Biswajit Kalita and L Das during the compilation of my thesis.

I am also grateful to the entire staff of Organic Chemistry Division, Library & Documention, Analytical Chemistry Division, Glass Blowing Section, Stores and Purchase Section, HRD Cell, Instrumentation Section and Accounts Section for their invaluable help.

My heartful thanks are due to Mr R K Sachdeva, DGM & Head of Chemical Department, Oil India Ltd., Duliajan for his support during the compilation of this thesis. Thanks to my friends and colleagues of OIL, Duliajan for their moral support.

Thanks are due to CSIR, New Delhi for providing financial assistance to me in the form of Junior Research Fellowship & Senior Research Fellowships (NET, 1995-1998).

I am also obliged to my brothers, sisters whose sacrifice, affectionate encouragement and moral support helped me to complete this work and to reach this position.

At last I memorize my beloved parents who are in heavenly abode and express gratefulness to them.
