ACKNOWLEDGEMENT

My heartfelt gratitude and sincere thanks to Dr. B.K. Sarma, ex Principal Scientist and Head, Division of Plant Breeding, ICAR Research Complex, Umiam, Meghalaya for his guidance, positive encouragement and constant support provided throughout the tenure of the study.

I also express my gratitude to Dr. C.M. Sarma ex Professor and Head, Department of Botany, Gauhati University for his kind and valuable support and guidance as co guide.

My sincere thanks and gratitude to Dr K.M. Buzarbaruah, Director, ICAR research complex, Umiam, Meghalaya, for allowing me to carry out my works and for providing facilities at the ICAR Research Complex, Umiam.

I am also thankful to Dr. A. Pattanayak, Principal Scientist and Head of Division, Division of Plant Breeding, ICAR research complex, Umiam, for his ever ready help and support during my course of study.

My gratitude is also due to Dr. D.K.Hore, Officer in Charge, NBPGR, Umiam for his encouragement and help rendered during my study.

My thanks to Dr. S. Chankija, Head of Dept. Dept of Genetics and Plant Breeding, SASRD, Nagaland University for his support during course of study.

The help provided by Mr. H. Ahmed, Technical Assistant, Division of Plant Breeding, ICAR Research Complex, Umiam, is highly appreciated.

I am also highly grateful to all the scientific and field staff of the Division of Plant Breeding, ICAR Research Complex, Umiam, for their invaluable help and support during the course of work.
I take this opportunity to thank my colleagues Janak and Pankaj for their constant support, invaluable help and loving company during every phase of the study.

My appreciation and love to all my friends and their families who are always with me in my time of need.

Deep regards and gratitude to my parents, in laws and husband for their sacrifices and help without which this study would not have been possible.

My reverences to the almighty who has destined my life and has blessed me at every step.
