PUBLICATIONS AND PRESENTATIONS

1. **Title:** Effect on pH and Electrical Conductivities of Soil with respect to Extent of Degradation of Lubricating Oil in Soil under Natural Environment.

   Published - *RJCC* vol. 1, 2003, pp 24-28. ISSN No. 0972-7922

2. **Title:** Effect on pH and Electrical Conductivities of Soil with respect to Extent of Degradation of Petroleum Hydrocarbons in Soil under Natural Environment.

3. **Title:** Effect of Hydrocarbon Degradation on few Physico-Chemical Parameters of a Soil Sample in Presence of an Oxidizing Agent.

4. **Title:** Effect on Organic Carbon Content of Soil due to Hydrocarbon Degradation in Presence of Nutrients and Oxidizing Agent.

5. **Title:** Effect of Nutrients and Oxidizing Agent on Degradation of Crude Oil Hydrocarbons in Soil under Natural Environment.

   Accepted for publication in *Indian J. Environ. & Ecoplan*. ISSN 0972-1215, Manuscript No. E/417/01/04.
6 Title :: Degradation of Residual Oil in Soil under Natural Environment: A Gravimetric and Gas Chromatographic Analysis.

Communicated to RJCC. ISSN No- 0972-7922 for publication in the Second Volume, Sept. 2004.

7 Title :: Rehabilitation of Crude Oil Degraded Land.

Communicated to AME Foundation, Bangalore, for publication in LEISA Newsletter. Ref:1040/481/2003.
