LIST OF TABLES

Table 1. Analysis of significant difference in the yearly incidence of fungal spores in Khanapara Poultry Farm, during June 1998-May 1999 and June 1999-May 2000.

Table 8. Analysis of significant difference in the occurrence of *Aspergillus* spp. and other fungal genera in Khanapara Poultry Farm, in the year June 1998-May 1999.

Table 10. Analysis of significant difference in the occurrence of *Aspergillus* spp. and other fungal genera in Fancy Bazar Market, in the year June 1998-May 1999.

Table 15. Analysis of significant difference in the occurrence of *Aspergillus* spp. and other fungal genera in Ayurvedic College, in the year June 1999-May 2000.

Table 18. Analysis of significant difference in the occurrence of *Aspergillus* spp. and other fungal genera in Ricefield, Azara, in the year June 1998-May 1999.

Table 19. Analysis of significant difference in the occurrence of *Aspergillus* spp. and other fungal genera in Ricefield, Azara, in the year June 1999-May 2000.

Table 22. Antifungal efficacy of the essential oils (at 1000 ppm) on the test fungi.

Table 23. Antifungal efficacy of the essential oil vapors of *Zingiber zerumbet*.

Table 24. Analysis of Variance in the efficacy of *Zingiber zerumbet* (L) Smith oil vapor.

Table 25. Antifungal efficacy of the essential oil vapors of *Zingiber officinale*.

Table 26. Analysis of Variance in the efficacy of *Zingiber officinale* Rosc. oil vapor.

Table 27. Antifungal efficacy of the essential oil vapors of *Zingiber purpureum*.

Table 28. Analysis of Variance in the efficacy of *Zingiber purpureum* Rosc. oil vapor.

Table 29. Antifungal efficacy of the essential oil vapors of *Zingiber capitatum*.

Table 30. Analysis of Variance in the efficacy of *Zingiber capitatum* Roxb. oil vapor.

Table 31. Minimum inhibitory concentration (mic) of the oil of *Zingiber zerumbet*.

Table 32. Analysis of Variance in the efficacy of *Zingiber zerumbet* (L) Smith. oil.

Table 33. Minimum inhibitory concentration (mic) of the oil of *Zingiber officinale*. 
Table 34. Analysis of Variance in the efficacy of *Zingiber officinale* Rosc. oil.

Table 35. Minimum inhibitory concentration (mic) of the oil of *Zingiber purpureum*.

Table 36. Analysis of Variance in the efficacy of *Zingiber purpureum* Rosc. oil.

Table 37. Minimum inhibitory concentration (mic) of the oil of *Zingiber capitatum*.

Table 38. Analysis of Variance in the efficacy of *Zingiber capitatum* Roxb. oil.

Table 39. Analysis of significant difference between the antifungal efficacy of the oil and vapor of *Zingiber zerumbet* (L) Smith.

Table 40. Analysis of significant difference between the antifungal efficacy of the oil and vapor of *Zingiber officinale* Rosc.

Table 41. Analysis of significant difference between the antifungal efficacy of the oil and vapor of *Zingiber purpureum* Rosc.

Table 42. Analysis of significant difference between the antifungal efficacy of the oil and vapor of *Zingiber capitatum* Roxb.

Table 43. Efficacy of *Zingiber zerumbet* oil stored for different periods.

Table 44. Efficacy of *Zingiber officinale* oil stored for different periods.

Table 45. Efficacy of *Zingiber purpureum* oil stored for different periods.
Table 46. Efficacy of *Zingiber capitatum* oil stored for different periods.

Table 47. Efficacy of *Zingiber zerumbet* oil exposed to different temperatures.

Table 48. Efficacy of *Zingiber officinale* oil exposed to different temperatures.

Table 49. Efficacy of *Zingiber purpureum* oil exposed to different temperatures.

Table 50. Efficacy of *Zingiber capitatum* oil exposed to different temperatures.
