ACKNOWLEDGEMENTS

The candidate expresses his deep sense of gratitude to Prof. Swapnadip Thakur, Department of Chemistry, Burdwan University, for able guidance, valuable suggestions and full co-operation to complete the thesis.

I pay my respectful homage in the memory of Late Prof. S. Ghosh Majumdar who initiated me in the field of research work with constant encouragement and affectionate help.

I am glad to convey my heart-felt thanks to Dr. P. Ghosh for active co-operation and helpful suggestions from the very beginning of the research work.

The list of friends to whom I owe valuable suggestions, useful pieces of assistance and the like, is very long, and I have no doubt the following enumeration is incomplete and must ask the pardon of those who do not figure in it.

I wish to thank the authorities of T. D. B. College, Rani­ganj, Burdwan, India for providing ample laboratory facilities at the initial stages of the work.
I am much indebted to Late Principal Dr. H. S. Bhattacharyya, Mr. S. Chatterjee, Mr. M. R. Bhuia, Mr. K. L. Mitra, Mr. R. L. Banerjee, Dr. D. C. Sinha Roy and my departmental colleagues of T. D. B. College for constant encouragements.

I am glad to express my sincere gratitude to University Grants Commission, New Delhi, India for financial help and award of one-year teacher fellowship under the Faculty Improvement Programme in the Department of Chemistry, Burdwan University.

I am also much indebted to Mr. P. Sil, Dr. P. Ghosal, Dr. S. Laskar, Dr. B. Basak, Dr. N. L. Basu and Dr. B. Roy for their sincere co-operation and assistance during tenure of my fellowship in the Department of Chemistry, Burdwan University.

To my family my obligations are unmeasured.

Asok Kumar Bandyopadhyay
