I am also thankful to the other colleagues of my department, both teaching and non-teaching, and to the Officers and staff of the Central Library, University of Burdwan for their cooperation.

I remain grateful to my friends Sri Ratan Chandra Kodali and Sri Krishna Kumar, both are research scholars in the Dept. of Geography, Banaras Hindu University, Varanasi, for their valuable help in drawing all the figures included in this thesis.

I am grateful to numerous authors in the profession whose works I lavishly and freely used for my description of the thesis; in fact I stood on their shoulders for its completion.

I must also thank my little son 'Colon' who, whenever wanted to draw my attention, came and sat on my papers.

At last, I must thank Sri Subas Ch. Patnaik, who has transformed my rather 'dirty' hand into this remarkable piece of type hand with all his patience, enthusiasm and pleasure.
