

Dr. M. R. Chaudhuri, M. A., D. Litt. (Cal)  
Professor and Head of the Department of Geography

THE UNIVERSITY OF BURDWAN  
GOLAPBAG, BURDWAN  
WEST BENGAL, INDIA

Dated 8/7/1977

This is to certify that Sm. Purabi Das, M.A. has completed the Thesis entitled "The Present Position and Problems of development of Indian Sugar Industry" under my guidance and that She has fulfilled all conditions of the rules and regulations relating to the nature and period of doctoral research in the University of Burdwan. It is also certified that the Thesis is original and the formulations are based on Sm.Das's own findings from field investigation and other information from published and unpublished sources. Throughout the course of this study Sm.Das has maintained close academic connection with me and the Thesis has been completed under my thorough personal supervision. This Thesis has not been submitted to any other institution previously either by Sm.Das or by any one else and is now in partial fulfilment of the D.Phil - in arts (Geography) Degree of the Burdwan University.

  
M.R. Chaudhuri
