

THE UNIVERSITY OF BURDWAN

Prof. Dr. M.R. Chaudhuri,
Head of the Department
of Geography,
Golapbag, Burdwan.

RAJBATI, BURDWAN (W. B.)

Dated - 20/7/81

This is to certify that Sm. Kalpana Mitra (De), M.A. has completed the thesis entitled "~~The~~ Geo-Economic interpretation of the location and development of the cotton textile Industry in Maharashtra" under my guidance and that she has fulfilled all conditions of the rules and regulations relating to the nature and period of doctoral research in Burdwan University. It is also certified that the thesis is original and the formulations are based on Sm. Mitra's own findings from direct field investigation and other information from published and unpublished sources. Throughout the course of this study Sm. Mitra has maintained close academic connection with me and the thesis has been completed under my personal supervision. This thesis has not been submitted to any other Institution previously either by Sm. Mitra or by any one else and is now in partial fulfilment of the Ph. D. in Arts (Geography) Degree of the University of Burdwan.

A handwritten signature in cursive script, reading "M.R. Chaudhuri".

(M.R. Chaudhuri)
Supervisor of the candidate.
