Acknowledgement

This study was undertaken by me under the supervision of Professor Dr. Champa Mitra.

I express my deep gratitude to my teacher and supervisor Dr. Champa Mitra, who has been a constant source of inspiration, encouragement, supervisions and guidance to me in the preparation of this thesis.

I am also grateful to Professor Dr. Goutam Sarkar (Department of Economics, Burdwan University), Professor Dr. N.K.De and Professor Dr. P.K.Sen (Department of Geography, Burdwan University), for their useful and timely suggestion.

I like to acknowledge my gratitude to the teachers and the Headmistress of the Chinsurah Balika Bani Mandir for their constant encouragement and help.
I express my sincere thanks and gratefulness to the officials of the Principal Agriculture Office, Hooghly, Government of West Bengal, Agricultural Development Officers of the Goghat block, the Panduah block, the Balagarh block and the Haripal block, Krishi Projukti Sahayaks of different villages under study, who have provided with valuable data, information and constant company during the field work.

My thanks are also due to my respondents, other informants and the village level workers, who freely offered co-operation during the field survey.

Finally, I acknowledge my gratitude to Dr. Sudhansu Ghosh (Senior Scientist, Pusa Institute, New Delhi) for his constant inspiration, encouragement and guidance.
