

ACKNOWLEDGEMENTS

The author acknowledges with a deep sense of gratitude the help rendered by various personalities of India and abroad for the successful execution of this research project. Notable amongst them are, Prof. S.K.Das Gupta, Head of the Department of Zoology, Darjeeling Govt. College; Dr. B.C.Majumdar, S.G. College, Habra, Mr. R.K.Debnath, T.D.B. College, Raniganj, Dr. S.Roy, Reader in Zoology, University of Burdwan, Dr. J.E.Sublette, Dean of Graduate Studies, Eastern New Mexico University, U.S.A., Dr. O.A.Saether, Freshwater Institute, Winnipeg, Manitoba, Canada, Dr. J.Lehman, and F.Reiss, Max-Planck Institute of Limnology, Plon, West Germany, Prof. S.Singh, School of Entomology, St. John's College, Agra, and Mr. D.K.Mondal, Zoological Survey of India, Calcutta. To the Director, Zoological Survey of India, Calcutta, I am evergrateful for lending me type-specimens of some species and permitting me to examine the available type materials of Dr. J.J.Kieffer present in the National Collections of Insects.

The author is particularly grateful to his supervisors :

(1) Prof. D.K.Chaudhuri, Ph.D. (Lond.), D.Sc.(Cal.), D.I.C., F.R.E.S. (Lond.), F.E.S.I., presently Head, Department of

Zoology and Dean, Faculty of Science of the University of Burdwan and formerly Vice-Chancellor of Kalyani University, West Bengal; and (B) Dr. P.K.Choudhuri, M.Sc., Ph.D., F.R.S.I., Lecturer in Zoology, University of Burdwan, for their esteemed guidance and advice throughout this study.

Finally, the author expresses his indebtedness to the authorities of the University of Burdwan and of the T.D.B. College, Raniganj, affiliated to the University of Burdwan, for providing him the adequate laboratory facilities including material help to work on the research-project.
