ACKNOWLEDGEMENTS

I take the opportunity in expressing my deep sense of gratitude to Dr. M.C. Mukhopadhyaya, Professor of Zoology, University of Burdwan, for his constant inspiration, constructive criticisms and valuable suggestions right from selection of the topic up to final shaping of the thesis.

I am grateful to Dr. T.C. Banerjee, Head, Department of Zoology, Burdwan University, for providing me with adequate laboratory facilities.

I express my gratitude to Dr. A.P. Baisnab, Professor of Mathematics, Burdwan University for his help.

Sincere thanks are due to the Research Scholars and M.Phil. students of the Nematology Laboratory and Laboratory Assistant, Mr. Madan Ruidas for their hearty cooperation in many phases of the study.

The author is grateful to the University Grants Commission, New Delhi, for the financial help rendered to him by the commission under the Faculty Improvement Programme.

I am grateful to the Principal and my colleagues of the Bolpur College for their necessary help and cooperation that enabled me to avail myself of the opportunity of the aforesaid fellowship to complete the necessary research work.

Last, but not the least, I thank my wife Mrs. Anita Ray for her inspiration, encouragement and help rendered to complete the thesis.
