

LIST OF TABLES

<u>CHAPTER II</u>	<u>PAGE NO.</u>
a) Burdwan	
1. Occupational Structure	30
2. Land Use Pattern	32
3. Block-wise variation of cropping intensity	36
4. Cropping Pattern	39, 39A
5. Productivity index of selected crops.	42
6. Diversity index of selected crops	45
b) Bankura	50
7. Occupational Structure	52
8. Land Use Pattern	56
9. Block-wise variation of cropping intensity	59, 59A
10. Cropping Pattern	60
11. Productivity index of selected crops	62
12. Diversity index of selected crops	
c) Nadia	69
13. Occupational Structure	71
14. Land Use Pattern	76
15. Block-wise variation of cropping intensity	79, 79A
16. Cropping Pattern	80
17. Productivity index of selected crops	82
18. Diversity index of selected crops	
d) South 24 Parganas	
19. Occupational Structure	89
20. Land Use Pattern	91
21. Block-wise variation of cropping intensity	95
22. Cropping Pattern	98, 98A
23. Productivity index of selected crops	101
24. Diversity index of selected crops	104

e) Jalpaiguri	109
25. Occupational Structure	111
26. Land Use Pattern	115
27. Block-wise variation of cropping intensity	118
28. Cropping Pattern	119
29. Productivity index of selected crops	121
30. Diversity index of selected crops.	
 <u>CHAPTER III</u>	126
31. Area under HYV rice	130
32. Adopters of HYV seeds	132
33. Use of Chemical fertilizers	138
34. Use of improved implements	142
35. Use of Plant protection measures	143
36. Composite Technology Adoption Indices of farmers.	
 <u>CHAPTER IV</u>	147
37. Educational levels of farmers	150
38. Mass-media contacts of farmers	153
39. Urban contacts of farmers	157
40. Caste and ethnicity of farmers	159
41. Personality traits of farmers	
 <u>CHAPTER V</u>	164
42. Relationship between Socio-cultural variables and technology adoption	
 <u>CHAPTER VI</u>	168
43. Area under HYV rice, All Blocks	170
44. Area under HYV other than rice, All Blocks	172
45. Use of Chemical fertilizers, All Blocks	178
46. Use of improved implements, All Blocks	

PAGE NO.

47.	Composite Technology Adoption Index, All Blocks	180
48.	Educational levels of farmers, All Blocks	180
49.	Mass-media contact of farmers, All Blocks	183
50.	Urban contact of farmers, All Blocks	183
51.	Caste and ethnicity of farmers, All Blocks	186
52.	Personality traits of farmers, All Blocks	188
