**OCCURRENCE OF OIL IN INDIA**

9. CHAPTER - II

**CRUDE OIL PRODUCTION IN INDIA:**

PAST AND PRESENT

Introduction - Development - Oil and Natural Gas Commission - Oil India Limited - Problems and Prospects.
Serial No. | Page No.
--- | ---
10. **CHAPTER - III**
LOCATION OF INDIAN REFINERIES | 50-60
Introduction - Locational characteristics - Location of the Indian Oil Refineries - Conclusion.

11. **CHAPTER-IV**
PROCESSING OF CRUDE OIL | 61-67
Introduction - Distillation - Catalytic refining - Conversion of the residue.

12. **CHAPTER - V**
DEVELOPMENT OF THE OIL REFINING INDUSTRY | 68-88
The History of development - India's first refinery - The second refinery - The third refinery - The fourth and fifth refinery - The refineries after the Arab-Israel War - The refinery ownership - Crude supplies to the refineries - Conclusion.

13. **CHAPTER - VI**
PRODUCTION, MOVEMENT AND UTILIZATION OF OIL AND OIL PRODUCTS | 89-136
Introduction - Capacity - Production - Consumption - Regional pattern of demand - The problems of product imbalance - Movement of Oil - Conclusion.
14. **CHAPTER-VII**  
VISHAKHAPATNAM - CASE STUDY OF AN OIL REFINERY  
Introduction - Crude-run growth and development - Methodology - The output pattern and its relation to regional demand - Conclusion.

15. **CHAPTER-VIII**  
PROBLEMS AND FUTURE LINES OF DEVELOPMENT  
Introduction - Oil crisis - Future lines of development.

16. **CHAPTER-IX**  
CONCLUSION

17. **APPENDICES**

18. **BIBLIOGRAPHY**
