I take this opportunity to thank those magnanimous people who helped me to complete this project.

First of all I would like to express with much sincerity, my deep sense of love to my parents Sri MALKARI PULLOJI RAO & Smt MALKARI RUKMINI BAI for their eternal and everlasting love and support, I dedicate this project to them.

I would like to express my admiration and heartfelt gratitude to my research supervisor Dr. C. NAGARAJA, Associate Professor, Department of Instrumentation & University Science Instrumentation Centre, Sri Krishnadevaraya University, Anantapur for his encouragement in my academic career. I convey my sincere thanks to him for his inspiring guidance and valuable suggestions, which have been of immense help in carrying out my research work.

I express my deep sense of gratitude and sincere thanks to Prof. K. MALAKONDAIAH, Professor, Department of Instrumentation and University Science Instrumentation Centre, Sri Krishnadevaraya University, Anantapur for his esteemed guidance and encouragement in my academic career and throughout my research work.

I would like to express my sincere thanks wholeheartedly to Dr. B. RAMAMURTHY, Head, Department of Instrumentation and University Science Instrumentation Centre, Sri Krishnadevaraya University, Anantapur for his inspiring guidance, and constant encouragement throughout my research work.

I am extremely grateful to Sri S. ALLAHBAKSH, Associate Professors, Department of Instrumentation and University Science Instrumentation Centre, Sri Krishnadevaraya University, Anantapur for his help and suggestions in the designing of Finger Probe and constant encouragement throughout my research work.
I would like to articulate my sincere thanks whole heartedly to Dr. K. Nagabhushan Raju, and Dr. K. K. Azam Khan, Associate Professors, Department of Instrumentation and University Science Instrumentation Centre, Sri Krishnadevaraya University, Anantapur for their inspiring guidance, valuable suggestions and constant encouragement that was extended through out my research work.

I am extremely thankful to Sri K. Muralidhar Reddy, Associate Professor, Dept of Electronics and instrumentation Engineering, RGM college of Engineering, Nandyal, Kurnool dist., for his valuable suggestions and encouragement through out my research work.

I record my deep sense of gratitude to Prof. K. Raghavendra Rao, Professor, Department of Physics, Sri Krishnadevaraya University, Anantapur for his co-operation and suitable guidance throughout my research work.

I shall remain grateful to Prof. K. Chowdoji Rao, Professor of Polymer Science & Technology and Prof. M.C.S. Subha, Professor, Department of Chemistry, Sri Krishnadevaraya University, Anantapur for their suggestions and encouragement during my research work.

I express my sincere thanks to Smt. K. Jayalakshmi, Associate Professor, Dept of Physics, Nizam Institute of Engineering & Technology, Nalgonda, for her encouragement and co-operation during my research work.

I would like to express my genuine thanks to my scholar friends Ch. V. V. Ramana, M. Lakshmiprasad, Senior scholars and M.sc students, Department of Instrumentation, K. Mallikarjuna Reddy, K. S. V. Krishna Rao, B. Kiran Kumar, M.Naveen Kumar Reddy, Dept of Chemistry, H. Sudhakar, Department of Polymer Science and Technology, K. Suresh, Department of Maths, Chandra Mohan, Department of Commerce, S. K. University, Anantapur for their cooperation through out my research work.

I convey my thanks to the technical assistants Sri K.A. Madhusudhana Gowd, Sri G. Dhanunjaya, Sri P. Sudarsanam,
Sri G. Chandra Sekhara Rao, University Science Instrumentation Centre, Sri Krishnadevaraya University, Anantapur for their technical suggestions, timely help and cooperation throughout my research work.

I extend my thanks to the staff of the workshop Sri S. Balaramaiah, Sri K. Venkateswara Rao, Sri M. Ganesh, Sri M. Obulesu, Sri V. Sahadevan, Jr. Assistant K. Shiva Reddy, and Attenders Sri Nagaraju and Sri Lakshminarayana, University Science Instrumentation Centre, Sri Krishnadevaraya University, Anantapur for their help.

I am also thankful to my friend Mr. S. Sreekanth Rao, Design Engineer, Portalplayer Pvt. Ltd., Hyderabad, for his suggestions and encouragement during my project.

I record special thanks to my friend Mr. A. Narayana Reddy, Physical Education Teacher, St. Vincent De Paul English Medium High School for his constant help during my research work and assistance in typing the manuscript.

I am extremely thankful to my beloved friends Mr. L. Srinivasa Rao, Mr. M. Rasool Baig and Mr. E. Seshu Kumar and their family members for their encouragement and co-operation during my academic career.

Words cannot express my gratitude to my Brothers for supporting me, and my Sisters for being patient and helping out when I needed it!

I am very grateful to the authorities of Sri Krishnadevaraya University, Anantapur for providing the necessary facilities. My sincere thanks are due to the University Grants Commission, New Delhi for providing financial assistance through UGC Major Research Project Fellowship.

M. RAJA RAO.
