ACKNOWLEDGEMENTS

I express my deep sense of gratitude to my guide Prof. K.N. Venkatasiva Murthy, Department of Mathematics, S.K. University, Anantapur for all the help he rendered at every stage of this research work. I gratefully acknowledge his concern, counsel, constant encouragement and courteous treatment during the tenure of my research work. But for his guidance, it would not have been possible for me to complete this work.

I thank all the staff members of the Department of Mathematics, S.K. University, Anantapur for their cooperation and courteous treatment during the tenure of my research work.

I am thankful to my brother-in-law Sri. D. Jagan Mohan Rao, Lecturer in Mathematics for his constant help throughout the research work.

I am thankful to my father Sri. K. Narasinga Rao and to my mother K. Krishnavenamma and to my beloved brothers and sisters for their encouragement, moral support and cooperation during the period of my research work.

Finally, a word of thanks is due to my wife Lakshmi Devi and to my daughter Sreeleka for their understanding and bearing with my absence at home during the tenure of my research work.

Murali Dhar, K.
