ACKNOWLEDGEMENTS

It gives me an immense pleasure to express my deep sense of gratitude towards my teacher and research supervisor, Dr. B. Ravi Prasad Rao, Associate Professor, Conservation Ecology Division, Department of Botany, Sri Krishnadevaraya University, Anantapur for his constructive criticism and inspiring guidance and concern in bringing out this piece of work.

I am thankful to Prof. C. Sudhakar, Head, Department of Botany for providing the necessary facilities. I profusely thank Prof. T. Pullaiah, Principal, S.K.University College and Senior Professor of Botany, Prof. R.R. Venkata Raju, Chairman, BOS and Dr. S. Thimma Naik, Associate Professor in Botany for their encouragement.

I express deep sense of gratitude to Prof. K.N. Ganeshaiah, Biodiversity Unit, University of Agricultural Sciences, Bangalore for providing grid data. Thanks are also due to Department of Biotechnology, GOI, New Delhi and ATREE, Bangalore for providing partial financial support to conduct the present study. I would like to thank Dr. M. Sridhar Reddy, Mr. B. Sadasivaiah, and Mr. S.Khadar Basha Conservation Ecology division, department of Botany for their moral and technical support.

My special thanks are due to the forest officials especially Divisional Forest Officer Sri Srinivasulu, Forest Range Officers Sri Kahadarvali, Sri Srinivas and field staff of Kadapa, Rajampeta and Chittoor divisions. Thanks are due to Dr. A. Lakshmaiah, Dr. K. V. Subbaiah, Sri T. Shali sahib and Sri A. Narayana swamy, co-researchers of CED, for their timely help and constant moral support. My heartfelt thanks also due to my research colleges of CED, Department of Botany Mr. Srivivasa Rao, Ms. Jayamma, Mr. Kiran Babu, Mr. Prasad and Ms. Priyadarshini for friendly encouragement.

I remain ever grateful and profoundly indebted to my beloved Parents, brothers and sister for their love, affection and all their blessings throughout my academic career without which I could never have completed this task.

I extend my sincere thanks to Mr. M. Gangi Reddy and Ms. A. Vijayalakshmi Data Entry Operator’s for their technical support in bringing out this piece of work. I extend my thanks to all the Non-Teaching staff of the Department of Botany.

.... M.V.Suresh Babu.
