Acknowledgement

With a deep sense of gratitude, I express my indebtedness and sincere thanks to Prof. D.V. Krishna (Retd.), Department of Mathematics, S.K. University, Anantapur for his valuable suggestions on the subject without which this thesis would not have been possible.

I owe a special debt of gratitude to Prof. D.R.V. Prasada Rao, Department of Mathematics, S.K. University, Anantapur for his inspiration and valuable suggestions.

My special thanks are due to Head, Prof. R. Siva Prasad, Chairman, Board of Studies, Department of Mathematics, S.K. University, Anantapur for his co-operation and encouragement during the course of the work.

I express my sincere gratitude to Prof. K. Suvarna, Prof. P. Narasimha Rao, Prof. A. Mallikarjuna Reddy and Dr. G. Shobhalatha Department of Mathematics, S.K. University, Anantapur for their valuable suggestions and co-operation during my work.

My sincere thanks are due to Prof. Smt. K. Krishna Kumari, Department of Geography and Prof. P. Indira, Department of Zoology, S.K. University, Anantapur for having enthused and inspired me all along to complete this work.

I express my deep sense of acknowledgements to my research colleagues P. Vijaya Bhaskar Reddy, and Smt. B. Devika Rani for their help and encouragement during the course of this work.

My thanks are also due to the Principal and Staff of Govt. College for men, Kurnool and my friends who have rendered me moral support and encouragement.
I am very much thankful to Mr. D.V.Bhanu Kiran for assisting me in computer work regarding my research work.

Also I thank M.Suresh and all the research scholars in the department for their constant encouragement.

Words are inadequate to express my gratitude to my better half K.Ramakrishna, Andhra Bank and my children, K. Harshini and K. V. Kousthubh. I also record my special thanks to my brothers Sri. M. Vidyadhar, M.Tech., and Dr. M. Sreedhar, and my Sister-in-Laws for their encouragement.

The successful completion of my research work is mainly due to the whole hearted support of my parents Smt. M. Lakshmi Devi and Sri. M. Maddaiah for their love, affection, phenomenal patience, sense of sacrifice and kind cooperation during the period of my study. The wonderful patience they exhibited is immensely commendable.

Finally, the efforts of many others, whose contributions have led to the successful completion of this research work, are individually acknowledged.
