Acknowledgements

First and foremost, I owe my deep debt of heartfelt gratitude to my teacher and research supervisor Prof. (Mrs.) M.C.S.Subha, Department of Chemistry, for giving me an opportunity to work under her guidance, for her support, and encouragement throughout my study and she has also guided my personal development and maturation as an independent, confident, and strong researcher, something I never could have learned from a book. I am extremely lucky to work with such a high profiled person. Her guidance was the next best thing to knowledge, which I will cherish throughout my life. She is truly a source of inspiration to pursue a research-oriented career.

I wish to express my sincere thanks to Prof. L. K. Ravindranath (Head of the Department), Prof. K. Hussain Reddy (Chairman, BOS), and all the staff members of our department, S.K.University for their cooperation throughout the work.
