Dated, 2/3/87 198

From : Prof. Dr. M.R. Chaudhuri,  
University Professor of Geography,  
Golapbag, Burdwan.

This is to Certify that Sm. Tapasya Das, M.A. has completed the thesis entitled "Industrial Potential of Nadia District, West Bengal" under my guidance and that she has fulfilled all conditions of the rules and regulations relating to the nature and period of doctoral research in Burdwan University. It is also certified that the thesis is original and the formulation are based on Sm. Tapasya Das's own findings from direct field investigations and other information from published and unpublished sources. Throughout the course of this study Sm. Das has maintained close academic connection with me and the thesis has been completed under my personal supervision. This thesis has not been submitted to any other institution previously either by Sm. Das or by any one else and is now in partial fulfilment of the Ph.D. in Arts (Geography) Degree of the Burdwan University.
